Whole Life Insurance vs. Term Insurance - Key

Provided by the Insurance Education Institute

Name: _____

Instructions: Please read the following sentences and indicate which are associated with Term Life by using a "T" and which are associated with Whole Life by using a "W".

- 1. <u>T</u> This insurance is a good choice for young people who can't afford the higher costs of permanent insurance, or for people with financial obligations that will disappear in time, such as a car loan or a mortgage.
- 2. <u>W</u> This insurance has a cash value.
- 3. <u>T</u> You buy this policy with a specified time period, usually one, five, or ten years.
- 4. <u>W</u> Unless you make a change to your policy, you have lifelong coverage with no future medical exams.
- 5. <u>T</u> Premiums are generally much cheaper than cash-value policies
- 6. <u>T</u> This is a good choice for young people, who are unable to afford the higher cost of permanent insurance right now.
- 7. <u>W</u> Your premium will remain constant during the time you are covered unless you choose otherwise.
- 8. <u>T</u> The risk with this life insurance is that your health might deteriorate and you could be unable to get another policy once the policy expires.
- 9. W With this life insurance policy the costs are spread out over your entire life.
- 10. <u>W</u> If you are interested in using the policy as a form of savings, consider this type of life insurance policy.
