# 1 Color Notepad Design

Objective: Given a notepad guide line sheet, various clipart sources, & a Mac computer loaded with the appropriate software, design two (2) notepads. Notepads will be printed in 1 color on the press. Notepad must meet all specs listed on guide line sheet.

Project Guidelines

1.) Set up notepads in InDesign using the specs below.
   8.5 x 11 wide (not tall)
   Margin guides are .5 in all boxes.
   Automatic text box should NOT be checked.

2.) Add guides for each notepad.

Pull the guides by click, hold & drag from the ruler on your left. Pull them to these measurements.
A= 5"
B= 5.5"
C= 6"

3.) Draw a cut line.

Draw a line here. This is where your notepad be cut.

4.) Design your two (2) notepads without going over the guidelines.
