

Name: _____	SCORE
Class: _____	
Date: _____	

DIRECTIONS: Use the previous power point lecture, create 2 posters. Follow the guidelines below and complete by the end of class.

POSTER 1

Objective: Show a typical business flow of printing from initial concept to final product.

PROJECT BRIEF: You are designing a poster showing how printing flows. Be creative but make sure the poster is easily understood.

GRADING RUBRIC

Correct flow, easy to understand	15 points
Dressed up poster (used color, symbol)	10points
Spelling (everything is spelled correctly)	10points
Followed Directions	15points
Total Points	50 points
