

Type Family Chart

Follow these steps to create a style chart for reference throughout this class.

1. Open a new file in Adobe InDesign with one inch margins. Using 24 point Helvetica Neue, centered, all caps, type the following:

Graphic Communications Type Family Chart

2. Return, switch to 18 point, flush left type and type:

Normal, and then your name.

3. Return, switch to bold, and type:

Bold, and then your name.

DO NOT CHANGE FONTS!!

4. Return, switch to another style, name the style and type your name.

DO NOT CHANGE FONTS!!

5. Continue through many styles, including combinations like bold italic, until you have at least 10 styles listed.

DO NOT CHANGE FONTS!!

EXAMPLE:

GRAPHIC COMMUNICATIONS TYPE FAMILY CHART

Normal, Cheryl Rees

Bold, Cheryl Rees

Bold Italic, Cheryl Rees

Underline, Cheryl Rees
