

Directions: Determine the word defined or answer to each item below and place the answers in the boxes to the right. At the bottom, write the corresponding letter and number to reveal a secret message.

TEXTILE DYEING

		<u> </u>				_					
minpgste											
Def: insoluble color particles that are held on the surface of a	2										
fabric by a binding agent that changes the color of the fabric.											
Eyds											
Def: molecules that can be dissolved in water or some other		5									
carrier so that they will penetrate into the fiber and change the											
color.											
Cystnheti Toraclno											
Def: dyes made from chemical substances.									1		
Der. dyes made nom chemical substances.									•		
Ayrn Eigndy											
Def: addition of a colorant directly to the yarn skeins.			3	·							
								 	 		-
Lruaatn Locronta											
Def: mostly organic and derived from plant or animal sources					4						
						_		 	 _	-	
Nitsouio Fividan											
NItsouio Eiydgn								9			
Def: addition of a colorant to the fibers before they are extruded.								9			
								9			
Def: addition of a colorant to the fibers before they are extruded.	 							9			
Def: addition of a colorant to the fibers before they are extruded. Bierf lydegn								9			
Def: addition of a colorant to the fibers before they are extruded. Bierf lydegn Def: addition of a colorant at the fiber stage; also known as stock dyeing.	5 							9	 		
Def: addition of a colorant to the fibers before they are extruded. Bierf lydegn Def: addition of a colorant at the fiber stage; also known as stock dyeing. Tmargen Yigedn	j j							9			
Def: addition of a colorant to the fibers before they are extruded. Bierf lydegn Def: addition of a colorant at the fiber stage; also known as stock dyeing. Tmargen Yigedn Def: addition of a colorant to the completed woven fabric; also	j j		8					9]		
Def: addition of a colorant to the fibers before they are extruded. Bierf lydegn Def: addition of a colorant at the fiber stage; also known as stock dyeing. Tmargen Yigedn	j j		8					9
